Dear Sir:

Submitted herewith on Form PTO-1449 is a listing of documents known to Applicant and/or their Attorney in compliance with the requirements of 37 C.F.R. § 1.56. A copy of the documents (References A7-A11) are also being submitted. Applicant respectfully requests that the Examiner consider the listed document and indicate it was considered by making an appropriate notation on the attached Form PTO-1449.

In compliance with the requirements of 37 C.F.R. §§ 1.56 and 1.97, Applicant has cited for the Examiner's consideration co-pending U.S. patent applications that are owned at least in part by the assignee of this application and that describe subject matter related to the present application. The co-pending applications are listed herewith in accordance with M.P.E.P. 609 III.D which states: "Applicant may wish to list U.S. patent application numbers on other than Form PTO-1449 or PTO/SB/08A format to avoid the application numbers of pending applications being published on the patent. If a citation is not printed on the patent but has been considered by the Examiner in accordance with this section, the patented file will reflect that fact as noted in subsection III.C(2) above."

No copies of the co-pending applications have been provided. If the Examiner wishes to have copies of the co-pending applications and/or copies of associated Office Actions, the Examiner should contact the Attorney of record.
